

# Scoil Bhríde PTA Newsletter

We would like to thank everyone for all the on-going support and participation throughout this academic year 2020/2021 and particularly to all teachers and staff of the school this year who helped with the fundraisers and events, without which the events would not be possible. During this school year we have had to adjust events to cater for ongoing restrictions and adherence to government guidelines and we would like to thank you in supporting and helping us with this.
